

'Funky' Cycle Shelters

'Funky' Cycle Shelters

This bright and colourful design can be used for cycle storage, motorcycle storage, pram storage or as a waiting shelter. Each cycle shelter installation can be tailored to meet your individual needs and storage requirements.

It is also available with adjustable legs, mesh gates, sliding gates, plastic coated metal roof covering, padbolt fastenings, digital locking mechanisms, all designed to provide you with the most suitable cycle storage for your needs.

We offer a complete service from bespoke design to final installation, this ensures you get the right product for your requirements.
